Questions about the school admissions process?

Parents League School Advisors can help you find the right school for your child. Advisory consultations are included with membership.

Topics include:

- Creating and reviewing a list of schools
- Application procedures and timeline
- Schools' philosophy, learning environment and curriculum
- Testing
- Preparing for tour, interview and student's visit
- Tuition and financial aid

To stay updated about school curriculum and environments, Parents League school advisors regularly research and communicate with our member schools.

For more than 100 years, Parents League of New York has helped thousands of families make great school choices for their children.
