

Fair Sponsorship Opportunities

Parents League School Admissions Fairs

Join us at our school admissions fairs, the free annual events that Parents League is known for! Each year we welcome over 300 schools and host 3000 families as they learn about private and independent schools. Our *Virtual fairs* provide an accessible platform that helps us reach families in NYC, across the country and around the world. Become a Fair Sponsor today!

About Parents League of New York

Parents League of New York empowers families by providing advisory services and parenting resources through partnership with schools and educational providers. Each year, thousands of families join our community to access and participate in best in class school fairs, parenting workshops and educational forums. Families also receive our well-known publications, *The Review* and *Let's Play*, which offer parenting insights and a myriad of options for participating in early childhood activities and other enrichment activities offered by our members schools and wide range of partners.
